Letter of Recommendation, GACCE
Greg Covert

GACCE Selection Committee:

I am pleased to write this letter of recommendation on behalf of Greg Covert in support of his application for the GACCE opportunity.

I have had the pleasure of working with Greg in a variety of capacities through the years, and through those experiences, I have had the opportunity to witness firsthand his professionalism, leadership, dependability, and commitment to both his organization and our community. Greg is someone who consistently brings a positive attitude, strong work ethic, and genuine enthusiasm for everything he undertakes.

In his professional role, Greg has demonstrated excellent interpersonal and leadership skills and has proven himself to be someone who can effectively work with a wide range of stakeholders. He understands the importance of building relationships, communicating effectively, and following through on commitments. These qualities are especially valuable in chamber and community work, where collaboration, trust, and the ability to bring people together are essential.

Greg has also been an active and dependable partner to our Chamber. He has stepped up to serve on our Chamber events committee and has willingly partnered with us on community events and initiatives. I have seen his willingness to contribute his time, expertise, and resources to help make these efforts successful. Greg has also encouraged his team to become involved in our community by co-hosting and supporting events for charitable and civic organizations, including the DuBois Lions Club, First Class Children's Foundation, local Veteran programs, and other community initiatives. What stands out most to me about Greg is that his community involvement is more than simply showing up. He demonstrates genuine engagement and takes ownership of the commitments he makes.

I believe the GACCE opportunity would be an excellent next step for Greg. He possesses the professionalism, leadership ability, communication skills, work ethic, and community-minded approach necessary to benefit from and contribute to an opportunity of this caliber. I am confident that he will approach the experience with the same energy, enthusiasm, and commitment that he demonstrates in his professional and community involvement.

I highly recommend Greg Covert for this opportunity and believe he would be an outstanding representative of both his organization and his community. I am proud to offer my recommendation and am confident that Greg will continue to grow as a leader while making a positive impact on those around him.

Please feel free to contact me if I can provide any additional information regarding my recommendation of Greg.

Sincerely,

Jodi K. August
Executive Director
